Version 6.0

Did you know...

YOU CAN PROTECT THESE SURFACES TOO?

If you are painting over one of these surfaces, give it a longer lease of life by using the right product for the right surface.

SLATE AND PEBBLE WASH

Let your stone surface look as good as new with Slate Finish - a clear coat that is resistant towards dirt, fungus, algae, and UV.

- UV protection
- Available in gloss and satin finish
- Water proofing (positive pressure)
- Recommended only for cementitious surfaces on wall

TILELAC

Nippon Tilelac is a specially designed water based intermediate texture coat to beautify interior & exterior walls. It gives textured patterns (fine, heavy or head-cut dependent upon application) followed by water or solvent based top coats.

- Excellent durability
- Enhance aesthetic look
- Can be used for different patterns

HYDRO GLOSS

Hydro-gloss is the first water based enamel available in the market. It is formulated with water based binder to limit air pollutants which makes it a good choice against solvent based products.

- Low odour
- High gloss
- Quick dry
- Excellent washability
- Can be applied on metal, wood or wall.
- Anti-fungal

Make every wall A MASTER PIECE

TEXTURED series

A unique paint that creates specially textured walls with an opaque finish.

Refer to the four distinctive special effects.

ELEGANT | Timeless Classic

A matt textured finish, with rustic colours of rich vibrancy.

SPARKLE PEARL | Glowing Glory

A textured finish of luminous colours with a pearlescent glow.

SPARKLE SILVER | Reflections of Beauty

A textured semi-metallic finish with shimmering colours bathed in silver light.

SPARKLE GOLD | True Luxury

A textured semi-metallic finish with majestic colour dusted in a gold shine.

did you know?

Nippon Momento® Special Effect Paint is specially formulated with low Volatile Organic Compound (VOC), free from harmful chemicals - such as lead, mercury, chrome, and heavy metals, promising a healthier and cleaner indoor environment.

ENHANCER series

A special line of semi-transparent paint that enhances any existing wall colour with a semi-transparent glaze-over. It features two unique special effects.

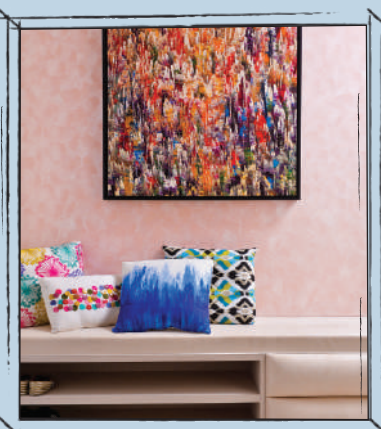

FROST | Cool and Contemporary

A unique texture that brings winter mornings touched with snow, pearl, or gold.

CLOUD | Lush Living

A special finish of sophisticated semi-transparent colours with a tinge of pearl or gold.

tip!

Paint Nippon Momento® Special Effect in places where you would least expect to WOW your guests the moment they walk in.
